Kindergarten Plaster Art & Sand Art Stalls

PRESENTED BY

PAFA
Parents & Friends Association

Our Kindergarten class will help organise the Plaster Art & Sand Art Creative Stalls at the Spring Fair this year.

There are many different ways that you can help.

- Help us make plaster casts
- Donate Paints and Paintbrushes
- Donate items to make rainbow bottles
- On the morning of the Fair, we will need some help in setting up the stalls, including chairs and tables for the kids and setting out the Plaster moulds.
- We will need volunteers for an hour or two to help running of the stalls to assist with sales. A roster will be created to ensure you will have plenty of time to spend at the Fair itself with your family. More hands make light work!
- At the end of the fair we will require a few volunteers to help pack up.

If you can donate any items and/or help with the stalls on the day, please email your interest to Stephanie (Stephanie3004@gmail.com) who will help coordinate the stall on the day.
